2023 Jackson County Junior Fair Camping Rules

Camping is for board of directors, fair personnel and livestock exhibitors. Other camping requests will be considered should sites become available.

All new exhibitors must start in primitive and move up as spots become available. Camping spots cannot be given away or handed down. Campers are not guaranteed the same spot each year.

Please understand we will do our best to accommodate all requests.

Due to strict enforcement of regulations by the health department, camping spots will be limited. There must be ten (10) feet between each camper.

Water, sewer and electricity are limited. Please understand that all hookups must be shared. Please plan accordingly. (i.e., RV extension cord, adapter, water T, etc.) **Campers must keep the waste water and sewage tank valve closed except for dumping. After dumping, remove hose from the sewer trap.**

Electrical problems of any kind such as breakers kicking out or loss of power must be reported to the camping committee. Only licensed fair electricians are allowed to fix electrical problems. **NO EXCEPTIONS!!** Do not attempt to fix your electric. This is a safety hazard. All extension cords must meet electricians &/or fire marshal's specifications &/or recommendations. You may be asked to change your cord if it is found to be inferior at your own expense. Electricians have the right to inspect all extension cords, fans, air conditioners, and electrical appliances. Power outages are out of the fairgrounds control. Should a power outage occur, the committee will do everything possible to get it restored as quickly as possible. Outside lights and appliances are prohibited. Only factory installed air conditioners are allowed. **Campers are only guaranteed 20 amp service.**

Due to fire hazard, gas cans must be stored away from campers and generators.

The Jackson County Junior Fair will not be held responsible for any electrical repairs or damages to campers while on the campground.

Everyone must have season passes or they must purchase season passes when they park their campers.

Only one car pass will be issued per camper.

No exhibitors are permitted to stay alone overnight without parental supervision.

Curfew is 12:00 midnight or 45 minutes after the end of the last event.

- Be considerate to your neighbors
- No loud voices or music after curfew
- No parties on the fairgrounds
- No alcoholic beverages allowed on fairgrounds
- No pets on fairgrounds.

All sewer totes are expected to be emptied at the dumping station located below the steer barn. Do not dump sewer totes in restrooms or on the ground. During the week of fair, the sanitation personnel are available to pump out your holding tank for a fee. Contact the fair office at 304-372-5066 to schedule a time for service.

Please help keep the campgrounds clean. There will be trash cans on the grounds.

Please understand no campers will be allowed to leave the campgrounds until 6:00 am, Sunday, July 30th.
